Expression of Interest for Empanelment of X-Ray Services for Intensified TB Elimination Campaign in Boudh district under National Tuberculosis Elimination programme.

Interested Agency/vendors with the following prerequisites are requested to submit "Expression of Interest" for empanelment to provide X-Ray services for Intensified TB Elimination Campaign in Boudh District. The Intensified TB Elimination Programme is an annual campaign to detect & treat TB for its elimination. This ambitious programme is part of the National Tuberculosis Elimination Programme (NTEP), which focuses on strengthening diagnostics, implementing innovative policies, and engaging private sector and other partners. Chest X-rays (CXRs) play a crucial role in the elimination of Tuberculosis (TB) by serving as a primary screening and triage tool. It helps in prioritize those who need further testing, like NAAT for drug-susceptible testing. Early detection of TB, enabled by CXRs, is crucial for preventing the spread of the disease and improving patient outcomes. While access to high-quality CXRs is limited in some settings, efforts are underway to improve accessibility, including the use of Static, Mobile & hand-held X rays with the support of Partners
